

Ota-City • Switzerland 1st Global Collaboration Program

Organizer

Ota-city Industry and Economy Department, Switzerland Innovation Park Biel/Bienne AG and Japan Innovation Park General Incorporated Association have entered into the Memorandum of Understanding on mutual cooperation in the field of innovation.

■ Contents of the program

This is the 1st joint collaborative program organized between Ota-City, Switzerland Innovation Park Biel/Bienne and Japan Innovation Park General Incorporated Association 「Ota-City · Switzerland 1st Global Collaboration Program」

On August 12th, 2021, to create opportunities, promote and enhance innovation, Ota-City Industry and Economy Department, Switzerland Innovation Park Biel/Bienne and Japan Innovation Park General Incorporated Association have entered into the Memorandum of Understanding on mutual cooperation in the field of innovation.

The theme for the 1st joint collaborative program is 「Open Innovation & Manufacturing」 We would like to take this program as an opportunity to explain the purpose of the MoU we have closed and introduce our activities as well as our newly built facilities.

We are very much looking forward to welcoming all of you to the program.
